Magnolia United Methodist Church

2006 Bible Reading Plan

I hope that you will join me in a Bible Reading Plan this year. This plan offers special features that will aid you as we journey through the Bible together.

By reading from four separate places in the Scripture, you should be able to better grasp the unity of the Scriptures as you hear God's voice speaking to His people throughout the ages and to your needs in this age. The books of the Bible are listed in each reading and you can mark through the boxes as you read them.

To prevent the frustration of falling behind, which most of us tend to do when following a daily Bible reading plan, each month of this plan gives you only twenty-five (25) reading days. Therefore, you will have several "Free Days" each month to use as you want. For example, you could set aside Sundays as your free days and receive and hear God's Word from the pulpit and Sunday School or use the free days to catch up on readings from extra busy weeks. Either way, you can alter this plan to fit your schedule.

If you finish the month's readings by the 25th of the month, you could also use the final days of the month to study passages that challenged or intrigued you. Also, you could use these days to memorize those verses that spoke to you and you see need for in everyday life.

In the year ahead, ask God each day to speak directly to you from the Scripture portions you read. Be expectant, and let your continual exposure to God's Word reshape your attitudes and behavior as you gain a better understanding of every part of His written testimony to us.
